PROJECT KICK-OFF: DHAFIR MANAGEMENT PARTNERS WITH SEWGA

Dhafir Management is proud to announce the successful kick-off meeting with our esteemed client, the Sharjah Water & Gas Authority (SEWGA), held on March 4, 2025, at SEWGA's Khorfakkan office. The meeting marked the official launch of Project M-194: *"Design, Fabrication, and Erection of a New Steel Water Tank at Wurayya Pumping Station"* in Khorfakkan, Sharjah.

The session was attended by senior engineers from SEWGA and the Dhafir Technologies project team, led by our Vice President of Projects. This milestone meeting set a strong foundation for collaboration and project success.

STAFF PROMOTIONS: ACKNOWLEDGING EXCELLENCE AND DEDICATION

A heartfelt congratulations to the following team members on their well-earned promotions:

- ❖ Mr. Krishna Kumar Parameswaran – Promoted to Works Manager
- ❖ Mr. Sidharthan Puthiya Veetil – Promoted to Assistant Construction Manager
- ❖ Mr. Edmundo Jr Sendico – Promoted to Senior Proposal Engineer
- ❖ Mr. Shanavash Jaffar – Promoted to Material Controller

These promotions are a testament to your unwavering dedication, consistent hard work, and the strong teamwork you demonstrate every day. Your achievements reflect the values we hold dear at Dhafir, and we are incredibly proud of this milestone in your careers.

Wishing you all continued success as you take on these exciting new roles and responsibilities!

Mr. Krishna Kumar P

RECOGNITION OF ACADEMIC EXCELLENCE

Warm congratulations to **Dr. Rehna Kaladi**, daughter of **Mr. Abdul Rahim Kaladi**, *Senior Vice President – Projects*, on achieving **Thrd Rank** in the **MD Psychiatry Examination** conducted by Kerala Health University at Trivandrum Medical College.

Her dedication and hard work have led to this well-deserved recognition, which reflects positively on both her personal commitment and the values we celebrate within our professional community.

We extend our best wishes for her continued success and future accomplishments.

TEAM RECOGNITION: ADNOC APPRECIATION AWARDS

We're proud to announce that several members of our dedicated team working on the **M185 MPS Project In Habshan** have been recognized by **ADNOC Onshore** as part of their prestigious **Contractor Recognition Program**.

These awards, presented across multiple categories, celebrate outstanding performance, commitment to safe work practices, and strict compliance standards. This recognition highlights the exceptional teamwork, professionalism, and relentless dedication our team continues to demonstrate on the ground.

The success of this project is a direct result of the passion and discipline shown in implementing and managing the HSE framework.

Congratulations to all the awardees—your efforts truly embody the spirit of excellence we strive for at Dhafir.

ANNUAL IFTAR 2025

Dhafir Technologies recently brought its team together for two special Iftar gatherings—one in Abu Dhabi and another in Calicut—celebrating the spirit of unity and appreciation during the holy month of Ramadan.

In Abu Dhabi, the event was held at the elegant Millennium Grand Hotel, where staff members and their families joined for an evening of connection and celebration. The presence of our Managing Director added a special touch to the gathering, emphasizing the value Dhafir places on community and togetherness. The evening was warmly hosted by Mr. Kashif, whose hospitality set a gracious tone for the night. Mr. Shine also took a moment during the event to share a few words with the attendees, contributing to the positive and engaging atmosphere.

One of the most delightful parts of the Abu Dhabi gathering was the presence of children, whose laughter and energy added a joyful, festive spirit to the night.

Meanwhile, our Calicut team held their Iftar gathering at Woodies Bleisure Hotel, bringing the same spirit of celebration to our colleagues in India. Thoughtfully organized, the event offered a meaningful opportunity for team members to connect and enjoy the occasion together.

Both gatherings were a wonderful way to come together, reflect on shared values, and strengthen the bonds that make Dhafir Technologies more than just a workplace. We're grateful to everyone who helped make these moments special.

Thank you to all who attended, and here's to more meaningful moments together in the months ahead.
