DREAM – DESIGN – DELIVER

CELEBRATING THE SUCCESSFUL COMPLETION OF M190 – COS TANK-1

We proudly celebrated the successful completion of Project M190 – COS Tank-1, which was delivered ahead of plan, marking a significant project milestone.

The celebration was honored by the presence of our Managing Director, Mr. Luqman EV, Vice President-Projects; Mr. Binu R. Nair, along with senior leadership from ADNOC Offshore, including Ms. Tayba Abdul Rahim Al Hashemi, Chief Executing Officer; Mr. Abdulla Mohamed Al Marzooqi, Senior Vice President; and Mr. Ali Mahmoud Ali Abdulla AlHammadi, Vice President. This achievement reflects the team's strong collaboration, effective execution, and commitment to excellence.

PTW SYSTEM AUDIT CONDUCTED AT M192 PROJECT

The PTW System Audit was successfully conducted at the M192 Project on 29 January 2026 by Mr. Stanley Roy Chiedu Amuegbunem, Senior HSE Engineer from TAQA-D. The audit reflects our continued commitment to maintaining strong HSE governance, compliance, and safe work practices across all project activities.

The scope of work comprises of expansion of existing Antidrone Fence in MP21- Habshan. The scope includes Survey, Demolition of Existing Antidrone fence, Piling and Foundation works, Pole and Mesh Erection, etc.

BEST HSE SUPERVISOR AWARD – 2025

We are proud to announce that Mr. Anjeet Kumar has received the HSE Award from the ADNOC Refining CEO for Best HSE Supervisor – 2025, in recognition of his exemplary commitment to achieving ADNOC Refining's 100% HSE goal. This prestigious award also acknowledges his consistent dedication, reliability, and professionalism, which he brings to the organization as a valued member of our team, setting a strong benchmark for HSE excellence.

OUTSTANDING HSE AUDIT PERFORMANCE RECOGNITION

We are pleased to share certificates of appreciation awarded to Mr. Anjeet Kumar and Mr. Pitchaimuthu in recognition of their outstanding dedication and exceptional performance in achieving the highest scores during the HSE Assurance Audit. Their commitment and hard work on Project M195 – Procurement & Construction Services for Plant Modifications (04 MOCs) and Project M176 – Framework Agreement (FWA) for Inspection and Repair of Tanks and Spheres are truly commendable, reflecting a strong culture of HSE excellence and professionalism.

CERTIFICATE OF APPRECIATION FOR HSE EXCELLENCE

ADNOC-RSI has awarded a Certificate of Appreciation to our team members involved in the M176 Project in recognition of their outstanding performance, dedication, and leadership in upholding HSE excellence during the inspection and repair of tanks and spheres at Ruwais I, II, and III. This achievement reflects the team's strong commitment to safety, professionalism, and operational excellence, and we extend our sincere congratulations to all the employees recognized for their valuable contribution to the project's success.
